After 17 years of coaching and two state tournament appearances, Coach Larry Mathis handed over the head coaching position to Mr. Jimmy Hopkins. Coach Mathis was a member of the undefeated state championship team of 1965, was captain of the All-State Team, and held the best scoring average in one season with 30 points. Also, after scoring 60 points in one game, Coach Mathis held Oceana High School's game scoring record from 1967-1983. Thank Coach! And Best wishes in the years ahead.

CURRENT

Democratic presidential candidate Gary Hart was forced to drop his bid for the presidency after it was reported that he was romantically involved with Donna Rice, an aspiring actress and model.

President and Mrs. Reagan greeted Pope Paul II when he arrived in Miami to begin a nine-city tour of the United States.

AIDS has killed nearly 25,000 Americans, millions of dollars have poured into medical research, and President Reagan has proclaimed the plague "Public Health Enemy No. 1."

A 24-day strike by the NFL players ended in mid-October when the union capitulated and went to court instead of trying to fight the club owners at the bargaining table.

In an effort to keep the Persian Gulf open to navigation, the U.S. Navy blew up an Iranian ship that was caught laying mines in the Gulf.

A barge filled with 3,128 tons of garbage became a national joke and a symbol of the nation's worsening problem with solid waste management. The barge, looking for a place to dump its cargo, was banned by six states and three foreign countries.

EVENTS

Television evangelists Jim and Tammy Faye Bakker said farewell to the PTL ministry. Jim resigned after confessing to a sexual encounter with a young woman. Tammy bowed out to undergo treatment for drug dependency.

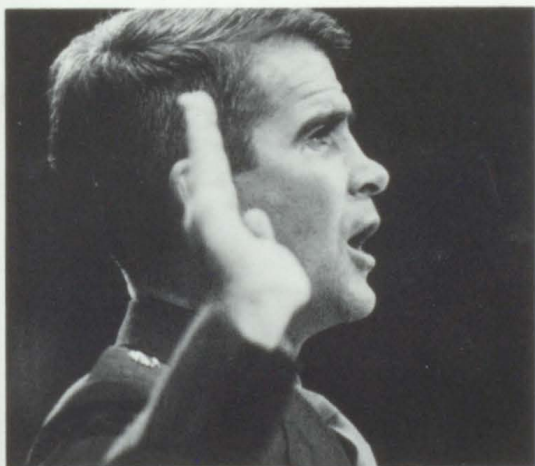

The Senate rejected President Reagan's nomination of Robert H. Bork to the Supreme Court, which ended a long contentious debate over a judge alternately portrayed as a brilliant jurist and a dangerous extremist.

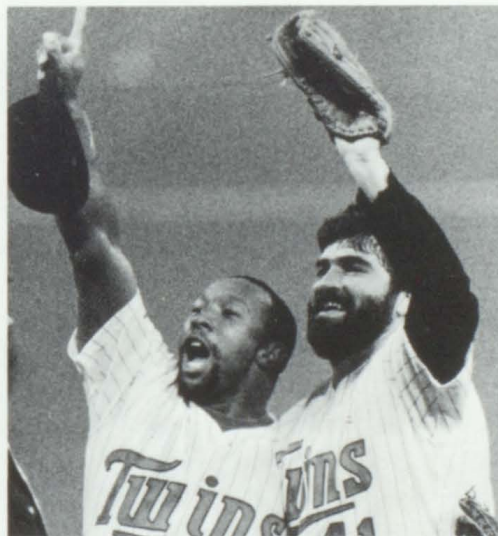

The Golden Gate Bridge in San Francisco celebrated its 50th birthday. About 250,000 people jammed onto the bridge for an anniversary walk across the span. Another 500,000 packed the bridge but were denied access because the engineers feared the span could not support the weight.

The Dow Jones industrial stock average dropped 508 points, the largest in history, on Monday, October 19. Some called it a "crash," others called it a "meltdown" and others called it "Black Monday." Whatever it was, it stripped \$500 billion from the market value of U.S. securities.

Marine Lt. Col. Oliver L. North, was a key official in the plan to finance anti-government rebels in Nicaragua with money from arms sales to Iran.

ALMA MATER

Hail Oceana. We dedicate to you,
Hearts that you'll find ever
Loyal and True.
Firm and undaunted always we'll be.
Hail, Oceana, We salute to thee.
True to the school we love
We'll always be.

Autographs
